RENEWED PETITION UNDER 37 CFR 1.137(b)

Applicant received a Decision on Petition ("Decision") mailed January 17, 2006 in the above matter. The Decision states that Applicant's Petition to Revive filed on December 30, 2005 lacks the required reply, and that Applicant must submit a proper reply in response to the final Office Action in the form of a Notice of Appeal, the filing of a continuing application or a Request for Continued Examination (RCE) under 37 CFR 1.114.

In response to the Decision, Applicant submits herewith a Request for Continued Examination (RCE) under 37 CFR 1.114, along with the required fee. Applicant also submits herewith a duplicate copy of the petition documents filed on December 30, 2005 for the convenience of the Petitions Attorney.

Applicant believes that this response now complies with 37 CFR 1.137(b), and respectfully requests that this application be revived and the Amendment filed with the Petition to Revive be considered by the Examiner.

3. Terminal disclaimer with disclaimer fee

- ☒ Since this utility/plant application was filed on or after June 8, 1995, no terminal disclaimer is required.
- ☐ A terminal disclaimer (and disclaimer fee (37 CFR 1.20(d)) of \$65 for a small entity or \$130 for other than a small entity) disclaiming the required period of time is enclosed herewith (see PTO/SB/63).

4. STATEMENT: The entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional. [NOTE: The United States Patent and Trademark Office may require additional information if there is a question as to whether either the abandonment or the delay in filing a petition under 37 CFR 1.137(b) was unintentional (MPEP 711.03(c), subsections (III)(C) and (D))].

WARNING:

Petitioner/applicant is cautioned to avoid submitting personal information in documents filed in a patent application that may contribute to identify theft. Personal information such as social security numbers, bank account numbers, or credit card numbers) other than a check or credit card authorization form PTO-2038 submitted for payment purposes) is never required by the USPTO to support a petition or an application. If this type of personal information is included in documents submitted to the USPTO, petitioners/applicants should consider redacting such personal information from the document before submitted them to the USPTO. Petitioner/applicant is advised that the record of a patent application is available to the public after publication of the application (unless a non-publication request in compliance with 37 CFR 1.213(a) is made in the application) or issuance of a patent. Furthermore, the record from an abandoned application may also be available to the public if the application is referenced in a published application or an issued patent (see 37 CFR 1.14). Checks and credit card authorization forms PTO-2038 submitted for payment purposes are not retained in the application file and therefore are not publicly available.
